Bruce Bold Reunion Chair,

Email registration to Peter Richardson peterrichardson1135@gmail.com

Welcome to Feilding, the centre of the mighty Manawatu. It is one of NZ most important Agricultural Hubs.

We have got on hold accommodation at the South St West Motel. <http://www.southstreetwest.co.nz/> . This motel sits at the entrance to the Mansfield complex and only 600 metres from centre of town. There are **No Homeless**

We have a comprehensive programme and are covering several different interests.

For History we will be going to the stagecoach museum which covers early pioneering, as well as a massive display of vintage machinery <http://coachhousemuseum.nz/>

The heart of Feilding, the saleyards in the middle of the town. Feilding residents are proud to say “*the smell of money*”. The saleyards run 3 days a week with the largest being Friday.

And no, you don't need to bring any gumboots. Saleyards and farm do not require them.

We are going to look at the future with a visit to the new highway that is to replace the Manawatu Gorge Rd.

Back to past with a Farm BBQ.

Art, we couldn't believe our luck in that the Kimbolton Rural sculpture day is on as well this weekend. <https://www.ruralart.nz/>

A dinner at the Feilding Gentleman's club, one of the two remaining locker clubs in NZ.

After our farewell breakfast on Sunday morning, there is the opportunity for those who want to drive the Mansfield racetrack behind a safety car. Please contact Peter Richardson if interested. A charge to the racing club of \$10 per car, your responsibility.

We look forward to meeting you all again
