

Greetings to all 41 Club Members

Well, here we are in November, only a few short weeks to Christmas and the festive season, where did the year go?

Spring has sprung with a vengeance this year, we here in Blenheim 41 Club hope you have all fared well over this past stormy period and now wish you all a nice warm summer.

Reunion 26.

It is now a good time to arrange your travel arrangements and register for our reunion here in Blenheim April 21 to April 24, 2026. Travel bookings can be difficult especially now with ferry and aircraft bookings being so unreliable and expensive.

We have booked a very nice venue here in Blenheim at the Scenic Circle Hotel in the centre of town for our Reunion 26. It will provide us with great meet and greet areas, evening buffet meals, AGM and final breakfast, a lovely facility.

On the Wednesday we have organised an easy, interesting tour of our Omaka Aviation Museum and their adjoining workshops where restoration of vintage planes and repairs on light aircraft are carried out, and a boxed lunch will also be provided.

Next day our AGM, lots to decide? and in the afternoon perhaps a mini golf playoff?

We have a tight budget for this Reunion of \$280 pp and have a minimum number of members needed to both make this an enjoyable few days for us and to make this a financially viable Reunion. Costs at every level are high, but we have a great few days planned so we would love to see you here.

We have a **deadline of 20th of December 2025 for registration intention**, WE NEED TO KNOW NUMBERS before we will incur cancellation costs for venues etc, **so please register your intention early.**

We hope you can make it here with us for a nice few days of friendship and fellowship.

Yours in 41 Club

Ken Arthur

National President 41 Club NZ
